Protex.

Fleece jacket with ARC protection

A simple fleece jacket, but with extraordinary protection. The Tobado fleece jacket with arc protection is not only warm, breathable and soft, but also flame retardant and anti-static. The zipper is hidden under a flap with touch and close fastening. The elastic cord in the hem, the elastic sleeve ends and the standing collar keep the wind out. With two pockets on the outside and two inside, this is a very practical fleece that can be zipped into several coats.

Fleece jacket with ARC protection

Tobado - 7690N2TF5
