

Tyvek® 600 Plus

Combining Type 4 performance with the durability, protection and comfort of a Tyvek® garment.

Combines performance of a Type 4 with the comfort of a nonwoven suit.

Stitched and overtaped seams, offering equal barrier as fabric.

Hood shape and elastic around hood are designed for a tight fit around full face respirator.

Tunnelled elastics, cuff, ankles and face help to reduce the risk of contamination.
