

Tychem® 6000 F

Trusted protection against a broad range of chemicals and biohazards.

Protection against numerous toxic industrial organic chemicals, highly concentrated inorganic chemicals and biohazards. Chemical permeation data available for more than 250 chemicals.

Protective seams, stitched and over-taped with barrier-tape, providing barrier performance equal to that of the fabric.

Double self-adhesive zipper flap offers high level of protection.

Option for grey model: Socks attached to the ankle: to be worn inside safety boots or shoes with additional knee-length boot flap to ensure a high protection level.

Chemical spill clean-up

Emergency response
