Flame-retardant, anti-static rain trousers

5806N3EF3

The Ekofisk rain trousers in Siopor® FR AST fabric not only protect you in all-weather conditions, but ensure that flames do not spread. The breathable trousers have permanent anti-static properties and are provided with reflective FR strips at the bottom. The trousers have a fly with press studs, two slit pockets and narrowing at the leg ends with touch and close fastening. The elastic waist and trouser legs with concealed zipper ensure that you can easily slip in and out of these trousers.
