

NLG Coil Helmet Lanyard

Product Code:
101399

Max Load:
1 KG / 2.2 LBS

OVERVIEW

The NLG Coil Helmet Lanyard is a universal solution for securing one of the most commonly dropped objects, the helmet. It features an ultra-compact coil design that both reduces snagging hazards but also makes it extremely easy to clean and maintain.

NLG ID™ Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION

The Coil Helmet lanyard provides a secure and universal solution that easily fits on any helmet. Its compact design helps reduce the risk of snagging whilst being easy to clean and maintain due to its PU-coated coil. The lanyard simply cinches around a secure point in the helmet and the unique Tough Teeth™ clip provides an easy and secure attachment to your clothing even if wearing gloves. Additionally, the lanyard features a safety breakaway feature that will break if exposed to over 14kg of force, making it ideal for when working near moving machinery.

FEATURES

Ultra-compact design stays neatly out of the way and reduces snagging hazards
 Non-conductive design
 Universal compatibility means the lanyard works with any helmet
 Unique Tough Teeth™ clip design is effortless to attach, even with gloves on
 Safety breakaway feature ensures user safety near moving parts or machinery
 Anti-puncture wipe clean sleeve makes cleaning easy

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
