

NLG Tape Measure Tether

Product Code:
101414

Max Load:
1 KG / 2.2 LBS

OVERVIEW

The NLG Tape Measure Tether provides a secure tether point for a commonly used tool, the tape measure. Without compromising on the tool's functionality, the tape measure tether provides a fully enclosed and secure attachment point for a tool lanyard.

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
