Sector Use:

- Agriculture
- Construction
- Engineering
- Maintenance
- Trades
- Utilities
- Warehouse & Logistics

Features & Benefits:

The star of our TRADEZ range is the super light weight, high spec, great looking lace boot style: BLITZ. Whether our styling is understated, contemporary or a little more cutting edge we like our boots to look good and they don't come any better looking and lighter than BLITZ. Like being knocked over by a feather! The style brings new innovation with the use of super light weight thermo polyurethane material to mould the scuff and heel providing excellent protection and fitting support. The material has exceptional abrasion and wear resistance results on testing. Comfort is a key priority for the TRADEZ range and this is continued with the use of premium quality breathable lining and comfort wearing insoles. However don't be deceived by its light weight, BLITZ is fully waterproof and built to stand up to the toughest demands of both indoor and outdoor work! BLITZ in new Stone leather takes the Blitz design to new heights with an additional specification update with ESD enhancement.
